

# Corporate Finance Solution

A Member Firm of Andersen Global

IMC is a leading financial solutions providers arranging project finance ranging from traditional institutional finance to conventional financial solutions such as structured finance and private equity.

Our services span from preliminary study of the proposal to delivering suitable cost effective financial solution thereby supporting our clients' growth and expansion plans.

Our team advises and assists clients on identifying transaction opportunities, determining a range of valuations, optimizing pricing, determining capital structure, preparation of documents, review of legal agreements and facilitating negotiations between transacting parties. During execution of the deal our team provides a detailed transaction advisory plan and manages the entire process. Our experts provide strategic advice that capitalizes on our strengths of proven expertise and superior relationships with the banking and investment communities.
