

Dubai Business Setup Solutions

A Member Firm of **Andersen Global**

Dubai offers businessmen operating conditions that are among the most liberal and attractive in the world. There are many options available to international companies seeking to establish businesses in Dubai. Intuit Management Consultancy offers a wide range of business setup services to support its clients' business objectives. Some of the features are as follows:

- To legitimately minimize international taxation, a Dubai corporate formation should be properly - structured.
- Dubai corporate formation is a legal way to protect global assets. • Dubai corporate formation projects are an excellent image to your clients, suppliers, banks
- and even potential venture capitalists since it is not considered an offshore tax heaven.
- An offshore corporate formation offers unrestricted flow of capital and transfer of assets globally.
- A Dubai corporate formation is attractive for entrepreneurs with an import-export
- company, an international trading company or intellectual property developers. It is also common for independent consultants and contractors to make use of Dubai company formation
- In addition to a Dubai corporate formation, one of Intuit Management Consultancy's core service is opening corporate bank accounts for our clients with internationally recognized banks.
- IMC also assists clients looking to relocate to Dubai in obtaining residence and employment visas.

Intuit assists in setting up of different types of companies in United Arab Emirates
