

Tax is an important cost component. We offer clients engaged in international trade with tax efficient structures that are best suited to their business. With over three decades of experience and expert knowledge of many proven jurisdictions, we can advise you how to reap complete benefit from your offshore investment wherever it is domiciled.

At IMC, we provide professional service on every aspect of international tax planning and structuring:

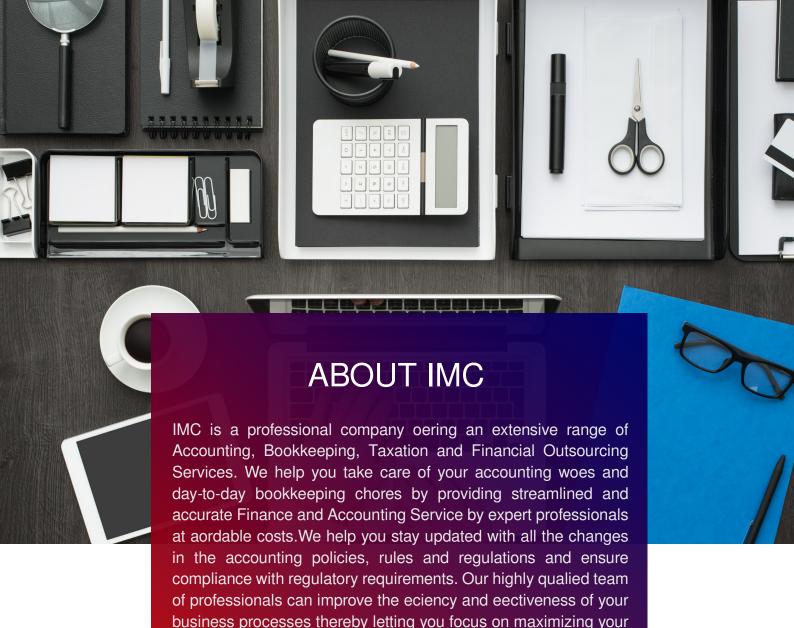

- We advise on the right investment structure which suits your business needs and adds value to your business.
- Assist in incorporating your structure in the best fit jurisdiction such as Dubai, B.V.I., Cyprus, Seychelles, Mauritius, Hong Kong, Singapore and many others.
- We review your present structures in the light of your future needs with the aim of optimizing your operating procedures.
- Minimize the resources needed on tax compliance.
- Incorporation of offshore and international business companies, hybrid entities, setting up of trusts and foundations.
- We use Tax Treaty to optimize your taxation by using the right jurisdiction using double taxation agreements to reduce withholding taxes, to avoid tax on income, capital gains tax, inheritance tax, etc.
- Non-treaty based tax planning Thin cap rules, Controlled Foreign Corporation, Interest, etc.
- Tax Residency.
- We assist you in meeting all regulatory requirements and process all statutory filings.
